Upon assignment of such Parking Space, the Association shall record its transfer in the Book and the owner of the Apartment to which its use is assigned shall have the exclusive right to the use thereof. The Parking Space shall thereupon be appurtenant to said Apartment and shall be deemed encumbered by and subject to any mortgage or any claim thereafter encumbering said Apartment. Upon conveyance of, or passing of, title to the Apartment to which the said assignment of Parking Space has been made the owner of the Apartment making the conveyance of title shall execute notice of transfer to the Association which shall thereupon cause to be executed in the name of the Association a new document entitled "assignment of Use of Parking Space" and record the transfer in the Book.

15.2. Restrictions on Separate Transfer of Parking Spaces. A Parking Space may be separately transferred upon the following conditions:

15.2.1. The use of a Parking Space may at any time be surrendered by a particular Apartment Owner to the Association.

15.2.2. The use of a Parking space may be transferred by an Apartment Owner to another Apartment Owner of this Condominium provided that the transferor shall execute a written assignment which shall describe the identification number of the Parking Space, the Apartment to which it was appurtenant, the name of the transferee and the transferee's Apartment and furnish the same to the Association which shall record such transfer in the Book.

15.2.3. In the event the transfer is to the Association, the transferor shall execute a written assignment, which shall describe the identification number of the Parking Space, the Apartment to which it was appurtenant and the fact that the Association is now transferee.

- 15.2.4. The Board of Directors shall have the absolute right to assign Parking Spaces transferred to the Association. Requests for the assignment of Parking Spaces transferred to the Association shall be considered by the Board of Directors on a first-come-first-served-basis or upon such other terms and conditions as to the selection of users as the Board may provide by written regulation.
- 15.2.5. Any transfer of a Parking Space made by the Association shall be by an Assignment to an Apartment Owner by a written instrument signed by any two officers of the Association which shall describe the Parking Space to be assigned and the name of the transferee and the transferee's Apartment number which shall thereupon be recorded in the Book.
- 15.2.6. Whenever the Association shall be the transferee of a Parking Space, the Parking Space may be assigned, used or leased on such terms and conditions as the Board of Directors may from time to time determine.

16. LEASING.

- 16.1. The lease of a unit is defined as occupancy of the unit by any person other than the Unit Owner, whether pursuant to verbal or written agreement, where said occupancy by the non-owner is not simultaneous with the Unit Owner or primary occupant and is with or without consideration (the payment of money, the exchange of goods or services, etc.). In order to inhibit the transiency and to import a degree of continuity of residence and residential character to the condominium, the leasing of units is prohibited.
- 16.2. "Grandfathering" Provision. Notwithstanding the above, this prohibition on leasing of units shall not apply to units rented at the time of the recording of this Amended and Restated Declaration, until such time such leases expire, and/or the lessees vacate the unit. After any and all such leases expire, and/or the lessees vacate the unit(s), said units shall not be relet, leased or subleased and all provisions contained in the Declaration pertaining to leasing shall be of no further force and effect.
- 16.3. Liability. The liability of the Unit Owner under the Condominium Documents shall continue notwithstanding the fact that he may have leased his interest in the unit as provided herein.

17. MAINTENANCE OF COMMUNITY INTERESTS. In order to maintain a community of congenial Unit Owners who are financially responsible, and thus protect the value of the Units, the use and transfer of Units by any Unit Owner shall be subject to the following

provisions as long as the Condominium exists upon the land, which provisions each Unit Owner covenants to observe:

17.1. Forms of Ownership:

- 17.1.1. Ownership By Individual. A unit may be owned by one natural person who has qualified and been approved as elsewhere provided herein.
- 17.1.2. Co-Ownership. Co-ownership of units may be permitted. If the co-owners are other than husband and wife, the Board shall condition its approval upon the designation of one approved natural person as "primary occupant." The use of the unit by other persons shall be as if the primary occupant was the only actual owner. Any changes in the primary occupant shall be treated as a transfer of ownership by sale or gift subject to the provisions of the Condominium Documents. No more than one such change will be approved in any twelve (12) month period. No time share estates may be created. "House Sharing" by multiple families is prohibited.
- 17.1.3. Ownership by Partnerships or Trusts. A unit may be owned in trust, or by a partnership, which is not a natural person, if approved in the manner provided elsewhere herein. The intent of this provision is to allow flexibility in estate, financial or tax planning, and not to create circumstances in which the unit may be used as a short-term or transient accommodation for several individuals or families. The approval of a partnership or trustee as a Unit Owner shall be conditioned upon designation by the owner of one natural person to be the "primary occupant." The use of the unit by other persons shall be as if the primary occupant were the only actual owner. Any change in this primary occupant shall be treated as a transfer of ownership by sale or gift subject to the provisions of the Condominium Documents. No more than one such change will be approved in any twelve (12) month period.
- 17.1.4. Life Estate. A unit may be subject to a life estate, either by operation of law or by a voluntary conveyance, approved as provided below. In that event, the life tenant shall be the only member from such unit, and occupancy of the unit shall be as if the life tenant were the only owner. Upon termination of the life estate, the holders of the remainder interest shall have no occupancy right unless separately approved by the Association. The life tenant shall be liable for all assessments and charges against the unit. Any vote, consent or approval required by the Condominium Documents or law shall be given by the life

tenant alone, and the vote, consent or approval of the holders of the remainder interest shall not be required. If there is more than one life tenant, they shall be treated as co-owners for purposes of determining voting and occupancy rights.

17.2. Transfers of Units Subject to Approval.

- 17.2.1. Sale or Other Transfer. No Unit Owner may dispose of a Unit or any interest in same by sale or other title transfer without prior written approval of the Board of Directors. No Unit Owner may dispose of a Unit or any interest therein by other means (including agreement for deed, installment sales contract, lease-option or other similar transactions) without prior written approval by the Board of Directors.
- 17.2.2. Gift. If any Unit Owner shall acquire his title by gift, the continuance of his ownership of his Unit shall be subject to the approval of the Board of Directors. Notice must be given at least thirty (30) days prior to the intended closing or title transfer date.
- 17.2.3. Devise or Inheritance. If any Unit Owner shall acquire his title by devise or inheritance, the continuance of his ownership of his Unit shall be subject to the approval of the Board of Directors. If any Unit Owner acquires his title by devise or inheritance, his right to occupy or use the unit shall be subject to the approval of the Board of Directors. Approval to own or occupy may not be denied to any devisee or heir who was the prior owner's lawful spouse at the time of death, or was related to the deceased owner by blood or by adoption.
- 17.2.4. Other Transfers. If any Unit Owner shall acquire his title by any manner not considered in the foregoing subsections, the continuance of his ownership of such unit shall be subject to the approval of the Board of Directors. If any person acquires title in any manner not considered in the foregoing subsections, that person shall have no right to occupy or use the unit before being approved by the Board of Directors under the procedures outlined below.

17.3. Approval by Association. The approval of the Association that is required for the transfer of ownership of Units shall be obtained in the following manner:

17.3.1 Notice to Board of Directors.

- 17.3.1.1 Sale. A Unit Owner intending to make a bona fide sale of his Unit or any interest in it shall give to the

Board of Directors notice of such intention, together with the name and address of the intended purchaser, an executed copy of the purchase contract and its exhibits and such other information concerning the intended purchaser and the transaction as the Board of Directors may reasonably require. The Board may require, without limitation, credit history, a criminal background investigation, past residency or employment verification, personal references, and a personal interview with the purchaser(s) and all proposed unit occupants.

17.3.2 Gift, Devise or Inheritance; Other Transfers. A Unit Owner who has obtained his title by gift devise or inheritance, or by any other manner not previously considered, shall give to the Board of Directors notice of the acquiring of his title, together with such information concerning the Unit Owner as the Board of Directors may reasonably require (including by that set forth in Article 17.3.1.1 hereof) and a certified copy of the instrument evidencing the owner's title.

17.4. Failure To Give Notice. If the above required notice to the Board of Directors is not given, then at any time after receiving knowledge of a transaction or event transferring ownership or possession of a Unit, the Board of Directors at its election and without notice may approve or disapprove the transaction or ownership. If the Board of Directors disapproves the transaction or ownership, the Board of Directors shall proceed as if it had received the required notice on the date of such disapproval.

17.5. Certificate of Approval.

17.5.1. Sale. If the proposed transaction is a sale, then within thirty (30) days after receipt of such notice, information and transfer fee, including a personal interview if requested by Board of Directors, the Board of Directors must either approve or disapprove the proposed transaction.

17.5.2. Gift, Devise or Inheritance; other Transfers. If the Unit Owner giving notice has acquired his title by gift, devise or inheritance, or in any other manner, then within thirty (30) days after receipt of such notice and information the Board of Directors, including a personal interview if requested by the Board of Directors, must either approve or disapprove the continuance of the Unit Owner's ownership of his Unit.

- 17.5.3. Approval of Occupant. If the Unit Owner or purchaser is a partnership or trust, or more than one individual who are not husband and wife, the approval of ownership by the partnership, trust, or multiple persons shall be conditioned upon approval of a Primary Occupant.
- 17.6. Disapproval for Good Cause. Approval of the Association for title transfers shall be withheld only if a majority of the whole Board so votes. If the Board disapproves a prospective transfer on the grounds for disapproval set forth below, the Association shall have no duty to purchase the unit or furnish an alternate purchaser, and the transaction shall not be made. The Board shall consider the factors detailed below, and may confer freely with counsel in reaching its decision. Only the following may be deemed to constitute good cause for disapproval:
- 17.6.1. The application for approval on its face, or subsequent investigation thereof, indicates that the person seeking approval (which shall hereinafter include all proposed occupants) intends to conduct himself in a manner inconsistent with the covenants and restrictions applicable to the condominium.
- 17.6.2. The person seeking approval (which shall include all proposed occupants) has been convicted of a crime involving violence to persons, a crime demonstrating dishonesty or moral turpitude or any felony;
- 17.6.3. The person seeking approval has a record of financial irresponsibility, including without limitation prior bankruptcies, foreclosures or bad debts;
- 17.6.4. The person (which shall include all proposed occupants) seeking approval has a history of disruptive behavior or disregard for the rights and property of others as evidenced by his conduct in other social organizations or associations, or by his conduct in this condominium or other residences as a tenant, or owner;
- 17.6.5. The person seeking approval failed to provide the information, fees or appearance required to process the application in a timely manner;
- 17.6.6. The Unit Owner requesting the transfer has had fines assessed against him or her which have not been paid; or
- 17.6.7. All assessments or other charges against the Unit have not been paid in full;

- 17.7. Transfer Fee. The Board of Directors shall have the right to impose a reasonable fee in connection with any requested approval of any sale, not exceeding any maximum fee proscribed by the law from time to time.
- 17.8. Unauthorized Transactions. Any sale, lease, mortgage or other transfer of ownership or possession not authorized pursuant to the terms of this Declaration shall be voidable unless subsequently approved by the Association.

18. MAINTENANCE AND REPAIRS

- 18.1. By Apartment Owners. The responsibility of a Unit Owner is as follows:

- 18.1.1. To maintain in good condition and to repair and to replace at his/her expense all portions of the Unit including the screening on the balcony or terrace and all interior surfaces within or surrounding his/her Unit (such as the surfaces of the walls, ceiling, and floors), and to maintain and to repair the fixtures therein, including the air conditioning equipment, and to pay for any utilities which are separately metered to the Unit. Every Unit Owner must perform promptly all maintenance and repair work within their Unit, as aforesaid, which if omitted, would affect the condominium property or a Unit belonging to other Owners; each Unit Owner shall be expressly responsible for the damages and liability that their failure to do may engender. Said Units shall be maintained and repaired in accordance with the building plans originally utilized by the Developer, copies of which are to be on file in the office of the Association, except for changes or alterations approved by the Board of Directors as provided in this Declaration.
- 18.1.2. Unit Owners shall not make any alterations in the portions of the Unit or the building or the Common Elements which are to be maintained by the Association, or remove any portion thereof or make any additions thereto or do anything which would or might jeopardize or impair the safety or soundness of the building or the Common Elements or which, in the sole opinion of the Board of Directors of the Association, would detrimentally affect the architectural design of the building, without first obtaining the written consent of the Board of Directors of the Association.
- 18.1.3. Unit Owners shall not paint or make any alteration, decoration, repair, replacement or change of or on the Common Elements or to any outside or exterior portion of the building, including

doors, windows, etc. without the written approval of the Board of Directors.

18.1.4. The Unit Owners shall promptly report to the Association or its agents any defect or need for repairs, the responsibility for the remedying of which is with the Association;

18.1.5. The Unit Owners shall not make repairs to any plumbing or electrical wiring within an apartment except by licensed and insured plumbers or licensed and insured electricians. Plumbing and electrical repairs within an apartment shall be paid for and be the financial obligation of the apartment owner.

18.2 By the Association. The responsibility of the Association is as follows:

18.2.1 To repair, maintain and replace all of the common elements, including all exterior surfaces of the building and parking spaces, whether part of the common elements, limited common elements, or part of the apartment; specifically, including the elevator and its machinery and shaft, and to maintain and repair all landscaping and roadways in or upon the condominium property.

18.2.2 To repair, maintain and replace all conduits, ducts, plumbing, wiring and other facilities for the furnishing of any and all utility services, but excluding therefrom appliances and plumbing fixtures;

18.2.3 To repair, maintain and replace any and all swimming pools, landscaping, and other improvements and facilities located upon the common elements or association property.

18.2.4 Any Officer of the Association or any agent of the Board of Directors shall have the irrevocable right to have access to each apartment from time to time during reasonable hours as may be necessary for inspection, maintenance, repair or replacement of any Common Element therein or accessible therefrom, or for making emergency repairs therein when necessary to prevent damage to the Common Elements or to another unit or units.

18.3 Alterations and Improvements

18.3.1 The Association shall have the right to make or cause to be made structural changes and improvements of the Common Elements and Limited Common Elements which do not prejudice the right of any apartment owner and any first

mortgagee unless their written consent has been first obtained, provided the making of such alterations and improvements is first approved by the Board of Directors of the Association, and which approval shall be submitted for ratification by the affirmative vote of two-thirds (2/3) of the apartment owners if the cost of the same shall be in Common Expenses which shall exceed Two Thousand Five Hundred Dollars (\$2,500.00).

19. COMMON EXPENSES AND ASSESSMENTS

19.1. Duty to Pay

19.1.1. It is hereby stated to be the express duty of each apartment owner to promptly pay their share of the Common Expenses, all assessments, levied by the Board of Directors of the Association.

19.2. Assessments. Assessments shall be made and determined in the following manner:

19.2.1. The Board of Directors of the Association shall approve an Annual Budget in advance for each Fiscal Year and such budget shall project the anticipated Common Expenses for the ensuing Fiscal Year.

19.2.2. After the adoption of a budget and determination of the annual assessments against the apartment owners in accordance with the shares of the Common Expenses herein set forth, the Association shall assess such sums by promptly notifying all owners by delivering or mailing notice thereof at such owner's most recent address as shown by the books and records of the Association. The annual assessments will be payable in quarterly installments which shall be due and payable in advance to the Association on the first days of each January, April, July, and October, regardless of whether or not members are sent or actually receive written notice thereof. Delinquent payments are subject to late charges as prescribed by the Association's By-Laws. In addition, the Association shall have the power to levy special assessments against each apartment, if necessary, to cover additional Common Expenses and shall have the power to levy such other special assessments as provided herein, which may or may not be equal per apartment.

19.2.3. The record owners of each unit shall be personally liable jointly and severally to the Association for the payment of special as well as regular assessments made by the Association and for all costs of collecting delinquent assessments, plus

interest and attorneys' fees as hereinafter provided. In the event assessments are payable in installments, the Board of Directors may accelerate the remaining installments of the annual assessment upon notice thereof to the apartment owner whereupon the entire unpaid balance of the annual assessment shall become due upon the date stated in the notice which shall not be less than ten (10) days after the date of the notice. In the event any assessment, installment or assessment or accelerated assessments are not paid within twenty (20) days after their due date, the Association, throughout its Board of Directors, may proceed to enforce and collect the said assessments against the apartment owner owing the same in any manner provided for by the Act, including the right of foreclosure and sale.

- 19.3. The Association may at any time require owners to maintain a minimum balance on deposit with the Association to cover future assessments. Such deposits shall be proportionate to each apartment's interest in the Common Elements.
- 19.4. In connection with assessments, the Association shall have all of the powers, rights, privileges, and legal remedies provided for by the Act, specifically including a lien upon each condominium parcel for any unpaid assessments and interest thereon against the apartment owner of such apartment, together with reasonable attorneys' fees incurred by the Association incident to the collection of assessments or enforcement of such lien. Assessments and installments thereon not paid when due shall bear interest from the date when due until paid at the maximum rate allowed by law.
- 19.5. It is specifically acknowledged that the provisions of Section 718.116, F.S., as same may be amended from time to time, are applicable to this condominium, and further, in the event an approved first mortgagee obtains title to a unit by voluntary conveyance, such mortgagee, its successors, and assigns shall not be liable for accrued assessments or Common Expenses as fully as though the property were acquired by foreclosure as provided by the Act.
20. **INSURANCE.** The insurance which shall be carried upon the Condominium Property, including the Units, Common Elements and Association Property shall be as follows:
- 20.1. Authority to Purchase Insurance. All insurance policies shall be purchased by the Association for the benefit of the Association and the Unit Owners and their mortgagees as their respective interests may appear.
- 20.2. Coverage.
- 20.2.1. Casualty. Except as otherwise provided herein, the Association shall use its best efforts to obtain and maintain fire and extended coverage insurance with a responsible insurance

company, or through alternate sources as may be available, upon all of the insurable improvements of the entire Condominium, including Association Property, the Common Elements, the Units, and the personal property of the Association, for the full replacement or insurable value thereof, less a commercially reasonable deductible, provided the Board may exclude foundation and excavation costs in its discretion. Notwithstanding the foregoing requirement, the Association, through its Board of Directors, will have fulfilled its duty to obtain insurance coverage if it obtains and maintains such insurance coverage as may be available from time to time given market and economic conditions, provided such coverage shall always meet the minimum level of adequate coverage required by §718.111(11), Florida Statutes (2004). The original policy of insurance shall be held by the Association, and Institutional Lenders shall be furnished, upon request, mortgage endorsements covering their respective interests. Each Unit Owner shall be responsible for insuring personal property located within the Unit, and electrical fixtures, appliances, air conditioning and heating equipment, water heater, and built-in cabinets to the extent these items are located within the Unit boundaries; and any improvements made within the Unit which are not covered by the Association policy. The owners shall also be responsible to insure any portion of the Condominium Property which may be removed from Association insurance responsibilities by virtue of future amendments to §718.111 (11), Florida Statutes (2004).

20.2.2. Liability Insurance. The Association shall obtain and maintain public liability insurance covering all of the Common Elements and Association Property and insuring the Association and the Unit Owners as their interest may appear in such amount as the Board of Directors may deem appropriate. The Board of Directors shall have authority to compromise and settle all claims against the Association or upon insurance policies held by the Association. The Unit Owners shall have no personal liability upon such claims, except as may be otherwise provided by law, and nothing herein contained shall in any way be construed as imposing upon the Association a duty to assess Unit Owners for the purpose of raising sufficient funds to discharge any liability in excess of insurance coverage. Each Unit Owner will be responsible for procuring and maintaining liability insurance covering losses which may occur in and about the owner's Unit, as the Owner may deem appropriate.

20.2.3. Worker's Compensation. Such worker's compensation coverage as may be required by law.

- 20.2.4. Other Insurance. Such other insurance as the Board of Directors may from time to time deem to be necessary, including but not limited to Errors and Omissions Officers and Directors Liability insurance coverage, and insurance for the benefit of its employees. When appropriate and obtainable, each of the foregoing policies which is required by this Article shall waive the insurers right to: (i) subrogation against the Association and against the Unit Owner individually and as a group, (ii) the clause that reserves to the insurer the right to pay only a fraction of any loss in the event of co-insurer the right to pay only a fraction of any loss in the event of co-insurance or if other insurance carriers have issued coverage upon the same risk, and (iii) avoid liability for a loss that is caused by an act of the Board of Directors of the Association, or by a member of the Board of Directors of the Association or by one or more Unit Owners.
- 20.3. Deductible and Other Insurance Features. The Board of Directors shall establish the amount of the deductible under the insurance policies, and other features, as they deem desirable and financially expedient, in the exercise of their business judgment.
- 20.4. Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense.
- 20.5. Insurance Shares or Proceeds. Insurance proceeds of policies purchased by the Association covering property losses shall be paid to the Association, and all policies and endorsements thereon shall be deposited with the Association. The duty of the Association shall be to receive such proceeds as are paid and to hold and disburse the same for the purposes stated herein and for the benefit of the Unit Owners and their mortgagees in the following shares:
- 20.5.1. Common Elements. Proceeds on account of damage to Common Elements - an undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements appurtenant to the unit.
- 20.5.2. Unit. Proceeds on account of damage to Units shall be held in the following undivided shares:
- 20.5.2.1. When the Condominium Building is to be restored - for the Owners of damaged Units in proportion to the costs of repairing the damage suffered by each Unit Owner, which cost shall be determined by the Association.

- 20.5.2.2. When the Condominium Building is not to be restored - an undivided share for each Unit Owner, such share being the same as the undivided share in the Common Elements appurtenant to the Unit.
- 20.5.3. Mortgages. In the event a mortgage endorsement has been issued as to a Unit, the share of that Unit Owner shall be held in trust for the Mortgagee and the Unit Owner as their interests may appear; provided, however, that no mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except those proceeds paid to the Unit Owner and mortgagee, pursuant to the provisions of this Declaration.
- 20.5.4. Distribution of Proceeds. Proceeds of insurance policies received by the Association shall be distributed in the following manner:
- 20.5.5. Reconstruction or Repair. If the damage for which the proceeds are paid is to be repaired or reconstructed, the proceeds shall be paid to defray the cost thereof as elsewhere provided. Any proceeds remaining after defraying such costs shall be distributed to the beneficial Owners, remittances to Unit Owners and their mortgagee's being payable jointly to them. This is a covenant for the benefit of any mortgagee of any Unit and may be enforced by such mortgagee.
- 20.5.6. Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial Owners, remittances to Unit Owners and their mortgagee being payable jointly to them. This is a covenant for the benefit of any mortgagee of a Unit and may be enforced by such mortgagee.
- 20.5.7. Association as Agent. The Association is irrevocably appointed agent for each Unit Owner and for each Owner of a mortgage or other lien upon any Unit and for each Owner of any other interest in the Condominium Property or any property in which the Association owns an interest, to adjust all claims arising under insurance policies by the Association, and to execute and deliver releases upon the payment of such claim.

21. RECONSTRUCTION AFTER CASUALTY. If any part of the condominium property shall be damaged by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:
 - 21.1. Common elements. If the damaged improvement is any of the common elements other than the building, the damaged common element shall be reconstructed or repaired, unless it is determined, as hereinafter provided, that the condominium shall be terminated.
 - 21.2. The Building.
 - 21.2.1. Lesser damage. If the damage renders less than 50% of the units in the condominium untenable, as determined by the Board of Directors or governmental agencies of competent jurisdiction, the damaged property shall be reconstructed or repaired.
 - 21.2.2. Major damage. If the damage renders more than 50% of the units in the condominium untenable, as determined by the Board of Directors or governmental agencies of competent jurisdiction, the damaged property will not be reconstructed or repaired, unless voting interests representing 75% of the units in the condominium agree in writing to such reconstruction or repair. The decision whether to reconstruct or repair shall be made within ninety (90) days after the casualty, provided however that the Board of Directors shall have the authority to extend this period for decision-making, not to exceed two (2) years, to deal with exigencies in communication with Unit Owners caused by natural disasters or other significant casualties.
 - 21.2.3. Plans and specifications. Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original building(s), as set forth in the Surveyor's Plats, or if not, then according to plans and specifications approved by the Board of Directors.
 - 21.2.4. Responsibility. If the damage includes those parts of a unit for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner shall be responsible for the expense of reconstruction and repair after casualty of said portion of the work, although the Association may perform the work on behalf of the owner. In all other instances, the responsibility of reconstruction and repair after casualty shall be that of the Association.

21.2.5. Estimates of costs. Immediately after a determination is made to rebuild or repair damage to property for which the Association or Unit Owner has the responsibility of reconstruction and repair, the Association or Unit Owner shall obtain reliable and detailed estimates of the cost to rebuild or repair.

21.2.6. Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction and repair by the Association (including shortfalls occasioned by a deductible), or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, assessments shall be made against the Unit Owners who own the damaged units, and against the Unit Owners in the case of damage to common elements, in sufficient amounts to provide funds for the payment of such costs. Such assessments on account of damage to common element shall be in proportion to the owner's share in the common elements of the condominium.

21.2.7. Termination of Condominium If Not Reconstructed. If the owners do not vote to reconstruct the condominium by vote required in this Article, the condominium shall be terminated in accordance with the procedures set forth herein.

22. PROHIBITION OF FURTHER SUBDIVISION

22.1. The space within any of the Apartments, Common Elements and Limited Common Elements shall not be further subdivided. Any instrument, whether a conveyance, mortgage, or otherwise, which describes only a portion of the space within any Apartment shall be deemed to describe the entire Apartment owned by the person executing such instrument, and the interest in the Common Elements appurtenant thereto.

23. SEVERABILITY

23.1. If any provision of this Declaration or of any of the Condominium Documents or the Act is held invalid, the validity of the remainder of this Declaration, or the Condominium Documents or of the Act shall not be affected.

24. INTERPRETATION

24.1. Article and paragraph titles inserted throughout this Declaration are intended only as a matter of convenience and for reference, and in no way define, limit, or in any way affect this Declaration or the contents of the material contained in Articles and paragraphs.

- 24.2. Whenever the context so requires, the use of any gender shall be deemed to include all genders and the use of the plural shall include the singular, and the singular shall include the plural.
- 24.3. As used herein, the term "member" means and refers to any person, natural or corporate, who becomes a member of the Association as described in the Articles of Incorporation and By-Laws whether or not that person participates in the Association as a member.
- 24.4. In the event any Court should hereafter determine any provisions as originally drafted herein in violation against perpetuities or any other rule of law because of the duration of the period involved, the period specified in this Declaration shall not thereby become invalid, but instead, shall be reduced to the maximum period allowed under such rule of law, and for such purpose, measuring lives shall be those of the incorporators of the Association.

25. REMEDIES FOR VIOLATION

- 25.1. Each Apartment Owner shall be governed by and shall comply with the Act, as amended, this Declaration and all of the Condominium Documents as they may exist from time to time. Failure to do so shall entitle the Association, or any apartment owner to recover any sums due for damages or injunctive relief, or both. Such actions may be maintained by the Association or in a proper case by an aggrieved apartment owner, or by such approved first mortgagee or the Lessor under the Long Term Lease and Facilities Lease. Such relief shall not be exclusive of other remedies provided by law. The failure to promptly enforce any of the provisions of the Condominium Documents shall not bar their subsequent enforcement. The Association shall be entitled to recover all costs of enforcement by the Association, regardless of whether suit or litigation takes place, including but not limited to, reasonable attorney's fees and costs incurred. An Owner's failure to remit payment of any demanded sums associated with the enforcement of the Association's governing documents and the Act, shall result in the Association levying said amounts owed as an individual special assessment, which may be collected as any other assessment.

2. MEMBERS.

2.1 Annual Meetings. The annual members’ meeting shall be held at such

convenient location in Broward County as may be determined by the Board of Directors. The annual meeting shall be held on the date and time determined by the Board for the purpose of electing directors and officers, and transacting any business authorized to be transacted by the members.

- 2.2 Special Meetings. Special members' meetings shall be held whenever called by the President or by a majority of the Board of Directors, and shall be called by the President or Secretary within a reasonable time of receipt of written notice from one-third (1/3) of the members of the Association. Members' meetings to recall a member or members of the Board of Directors may be called by 10% of the Voting Interests of the Association who shall give notice of the meeting, stating the purpose of the meeting, pursuant to Section 718.112(2)(k), Florida Statutes (2004), as amended from time to time.
- 2.3 Notice of Members' Meetings. Notice of all members' meetings, stating the time, place, and purpose(s) of the meeting, and including an agenda, shall be sent to each unit owner by United States regular mail, unless waived in writing, at least 14 days prior to the meeting as to annual meetings, and posted in a conspicuous place upon the condominium property at least 14 days prior to the meeting. Hand delivery is acceptable where permissible by law. Notices for meetings and for all other purposes shall be mailed to each unit owner at the address last furnished to the Association by the unit owner, and such mailing shall be deemed sufficient notice. Officers required to give notice may delegate the actual giving of notice to another person, such as an Assistant Officer or managing agent. Any members' meeting or election at which one or more Directors are to be elected must be noticed as provided for in Section 2.4 next following. An officer of the Association or other person providing notice shall execute an affidavit of mailing per Section 718.112(2)(d)(2), Florida Statutes (2004), as amended from time to time, which shall be retained in the official records of the Association as proof of such mailing. The notice of the annual meeting shall include an agenda for all known substantive matters to be discussed, or have such an agenda attached to it. A copy of the notice and agenda shall be posted at a conspicuous location, designated by Board resolution, on the Condominium Property.
- 2.4 Notice of specific meetings may be waived before or after the meeting and the attendance of any member (or person authorized to vote for such member) shall constitute such member's waiver of notice of such meeting, except when his (or his authorized representative's) attendance is for the sole and express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.
- 2.5 Board of Directors Election Meetings - Notice and Procedure. The regular election of Directors shall occur as the first item of business at the annual meeting.

- 2.5.1 Not less than 60 days before a scheduled election, the Association shall mail or deliver, whether by separate Association mailing or included in another Association mailing or delivery including regularly published newsletters, to each unit owner entitled to vote, a first notice of the date of the election. Any person desiring to be a candidate for the Board of Directors shall give written notice to the Association not less than 40 days before scheduled election. Not less than 14 days before the election, the Association shall mail or deliver a second notice of the election to all unit owners entitled to vote therein, together with a written ballot which shall include an information sheet (if provided by the candidate), no larger than 8 1/2 inches by 11 inches furnished by the candidate, to be included with the mailing of the ballot, with the costs of mailing and copying to be borne by the Association.
- 2.5.2 At least twenty percent (20%) of the Total Voting Interests of the Association must cast a ballot in order to have a valid election, and the election of Directors shall be decided by a plurality of those votes cast. Voting for Directors by proxy or absentee ballot shall not be permitted, and no "write-in" candidates shall be allowed.
- 2.5.3 In the event that there are only as many (or fewer) candidates pre-qualified for election as there are open seats on the Board, no election shall be held and the pre-qualified candidates shall automatically become members of the Board after the annual meeting.
- 2.5.4 Quorum and Voting. A quorum at members' meetings shall consist of persons, appearing in person or by proxy, entitled to cast a majority of the Voting Interests of the Association. Decisions made by a majority of the voting interests present and voting, in person or by proxy, at a meeting at which a quorum is present shall be binding and sufficient for all purposes, except such decisions as may require a larger percentage of the voting interests, pursuant to Chapter 718, Florida Statutes, or the Condominium Documents, in which case the percentage required in Chapter 718, Florida Statutes, or the Condominium Documents shall govern. To the extent lawful, unit owners may join in any action taken at a meeting of the members through written approval of such action executed after the meeting, and such approval shall be as though the unit owner duly approved the action of the meeting in question.
- 2.5.5 Indivisible Vote. Each unit shall have one indivisible vote. If a unit is owned by a partnership, any partner may vote on behalf of the partnership. If a unit is owned in trust, any grantor or beneficiary of a trust shall be entitled to vote. Any person asserting the right to vote on behalf of a unit owned by an artificial entity

shall be conclusively presumed to be entitled to vote on behalf of said unit, unless the unit has filed voting instructions with the Association designating some other person entitled to vote. If multiple owners or non-individual of a unit cannot agree on a vote, the vote shall not be counted as to the issue upon which disagreement exists. Voting certificates are not necessary.

- 2.5.6 Proxies. Votes may be cast in person or by proxy. Only unit owners or Board members may hold proxies. Proxies shall be in writing, signed and dated, and shall be valid only for the particular meeting designated therein or an adjournment thereof, but in no event for more than, 90 days, and must be filed with the Association before or at the voter registration immediately preceding the meeting, or adjournment thereof. Except as specifically otherwise provided by law, unit owners may not vote by general proxy, but may vote by limited proxies substantially conforming to a limited proxy form adopted by the Division of Florida Land Sales, Condominiums and Mobile Homes. Limited proxies and general proxies may be used to establish a quorum. Limited proxies shall be used for votes regarding reserves; for votes taken to waive financial statement requirements; for votes taken to amend the Declaration; for votes taken to amend the Articles of Incorporation and/or By-Laws; and for any other matter which Chapter 718, Florida Statutes, requires or permits a vote of the unit owners. No proxy, limited or general, shall be used in the election of Board members. General proxies may be used for other matters for which limited proxies are not required, and may also be used in voting for non-substantive changes to items for which a limited proxy is required and given. An executed telegram or cablegram appearing to have been transmitted by the proxy giver, or a photographic, photo static, facsimile, electronic or equivalent reproduction of a proxy is a sufficient proxy. Owners may retroactively cure any alleged defect in a proxy by signing a statement ratifying the owner's intent to cast a proxy vote. The use of proxies is to be liberally construed.
- 2.5.7 No Quorum. If any meeting of members cannot be organized because a quorum is not present, or if insufficient voting interests are represented to approve a proposed item of Association business, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present.
- 2.6 Order of Business. The Order of business at annual members' meetings and, as far as applicable at all other members' meetings, shall be:
- 2.6.1 Call to order by the President (or Vice President, Secretary,

or Treasurer, in that order, if the President is not in attendance at the meeting);

2.6.3 Election of Directors (who will be seated at the Board's organizational meeting following the annual meeting);

2.6.4 Calling of the roll, certifying of proxies and determination of a quorum; or, in lieu thereof, certification and acceptance of registration procedures establishing the number of persons present in person or by proxy;

2.6.5 Proof of notice of the meeting or waiver of notice;

2.6.7 Disposal of unapproved minutes;

2.6.8 Reports of officers,

2.6.9 Reports of committees;

2.6.10 Unfinished business;

2.6.11 New business;

2.6.12 Adjournment.

2.7 Action Without a Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action required to be taken at any annual or special meeting of members, or any action which may be taken at any annual or special meeting of such members, may be taken without a meeting, without prior notice, and without a vote if a consent in writing setting forth the action so taken, shall be signed by the requisite number of voting interests to approve the action. Members may also consent in writing to action taken at a meeting, before or after the meeting, by providing a written statement to that effect and their vote shall be fully counted as though they had attended the meeting.

3. BOARD OF DIRECTORS.

3.1 Number, Term, and Qualifications. The affairs of the Association shall be governed by a Board composed of five (5) Directors. All Directors shall be unit owners or the spouse of a unit owner. When a unit is owned by a partnership, the primary occupant, as designated pursuant to the Amended and Restated

Declaration of Condominium, and the spouse of the primary occupant shall be eligible for Board membership. A grantor of a trust described in s. 733.707(3), Florida Statutes or a beneficiary as defined in s. 737.303(4)(b), Florida Statutes, and the spouses of such persons, shall be considered eligible for Board membership. No more than one (1) natural person from each unit shall be eligible to stand for election for Board membership, or serve on the Board. Persons who are convicted felons, who have not had their civil rights restored, are not eligible to serve on the Board. The term of each Director's service shall extend until the next annual election and thereafter until their successor is duly elected and qualified or until the Governor is recalled in the manner provided in the Condominium Act, or resigns. Resignations of Directors are effective when received by the Association in writing, unless a later date is stated.

- 3.2 Board Vacancies. Vacancies on the Board of Directors shall be filled by appointment by a majority vote of the remaining Directors, or by the sole remaining Director, for the remainder of the unexpired term as provided in Paragraph 3.1; provided that when a Director has been recalled by the membership, the vacancy created by his removal cannot be filled with the same person as has been removed from the Board, and when a majority of the Board has been recalled, vacancies shall be filled by the membership, as provided by law.
- 3.3 Organizational Meeting. The organizational meeting of each newly elected Board of Directors to elect officers shall be held at such place and time as shall be fixed by the Directors, provided a quorum shall be present. Unless otherwise noticed, the organizational meeting shall be held immediately following the annual meeting of the members.
- 3.4 Regular Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors. Notice of regular meetings, unless fixed by Board resolution, shall be given to each Director personally or by mail, telephone, or facsimile at least two days prior to the day named for such meeting. Such notice, which shall specifically incorporate an identification of agenda items, shall also be posted conspicuously on the condominium property at least 48 continuous hours preceding the meeting except in an emergency. However, written notice of any meeting at which non-emergency special assessments, or at which amendment to rules regarding unit use, will be considered shall be mailed or delivered to the unit owners and posted conspicuously on the condominium property not less than 14 days prior to the meeting. Evidence of compliance with this 14-day notice shall be made by an affidavit executed by the person providing the notice and filed among the official records of the association. Notice of any meeting in which regular assessments against unit owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments.
- 3.5 Special Meetings. Special meetings of the Directors may be called by the

President and must be called by the Secretary at the written request of any two (2) Directors. Not less than two days' notice of the meeting (except in an emergency) shall be given to each Director personally or by mail, electronic mail, telephone, or facsimile, which notice shall state the time, place, and purpose of the meeting.

- 3.6 Waiver of Notice. Any Director may waive notice of a meeting before, at, or after the meeting and such waiver shall be deemed equivalent to the giving of notice. Attendance by a Director at a meeting shall constitute waiver of notice of the meeting.
- 3.7 Owner Participation in Board Meetings. Meetings of the Board of Directors at which a majority of the members of the Board are present, shall be open to all unit owners. The right to attend such meetings includes the right to speak with reference to all designated agenda items; provided, however, the Board may adopt reasonable rules governing the frequency, duration, and manner of unit owner statements. Unless otherwise provided by the Board, each unit owner is entitled to speak for three minutes with reference to designated agenda items. Board meetings subject to the attorney-client privilege shall not be subject to unit owner observation.
- 3.8 Board Meetings, Quorum, and Voting. The designation of the agenda for Board meetings shall be at the discretion of the President. However, the President shall be obligated to include any item on the agenda for a Board meeting, if requested, in writing, by two Board members. A quorum at Directors' Meetings shall consist of a majority of the Directors. The acts approved by a majority of the Board of Directors present at a meeting at which a quorum of the Board is present shall constitute the acts of the Board. Directors may not vote by proxy or by secret ballot at Board meetings (except that Directors may vote by secret ballot when electing Officers) and a vote or abstention for each member present shall be recorded in the minutes. Directors may not abstain from voting except in the case of an asserted conflict of interest. If at any meeting of the Board there be less than a quorum present, the Director(s) present may adjourn the meeting from time to time until a quorum is present. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted. Absent Directors may later sign a written joinder in Board actions, but such a joinder may not be used for purposes of creating a quorum or counted as official vote for the Board's meeting. Directors may participate telephonically in Board meetings, as provided by law.
- 3.9 Presiding Officer. The presiding officer at Directors' meetings shall be the President, and in his absence, the Vice President. In the absence of the presiding officer, the Directors present shall designate one of their number to preside.
- 3.10 Director Compensation. Directors shall serve without pay but shall be entitled to reimbursement for expenses reasonably incurred.
4. **POWERS AND DUTIES OF THE BOARD OF DIRECTORS.** All of the powers and

duties of the Association existing under the laws of Florida generally, the Florida Not For Profit Corporations Act, the Florida Condominium Act and the Condominium Documents, all as amended from time to time, shall be exercised exclusively by the Board of Directors, or its duly authorized agents, contractors, or employees, subject only to the approval by unit owners when such is specifically required. Such powers and duties of the Directors shall include, but shall not be limited to, the following:

- 4.16 To Enter Into Contracts for Products and Services. All contracts for the purchase, lease, or renting of materials or equipment, contracts which are not to be fully performed within one year, and all contracts for services shall be in writing. As to any such contract which requires payment exceeding 5% of the gross budget (including reserves), except for contracts with employees of the Association, attorneys, accountants, architects, engineers and landscape architects, and community association managers, the Association shall obtain competitive bids unless the products and services are needed as the result of an emergency or unless the desired supplier is the only source of supply within the County serving the Association. The Association need not accept the lowest bid. If a contract was awarded under the competitive bid procedures of this Section, any renewal of that contract is not subject to such competitive bid requirements if the contract contained a provision that allowed the Board to cancel a contract on thirty days' notice. Materials, equipment, or services provided to a condominium under a local government franchise agreement by a franchise holder are not subject to the competitive bid requirements of this Section.
- 4.17 To Levy Fines. The Directors may, pursuant to Section 718.303, Florida Statutes (2004), as amended from time to time, impose fines against a unit not to exceed the maximum permissible by law, for failure to comply with the provisions of the Board policies and resolutions, the Condominium Documents, including the Rules and Regulations, and applicable laws by owners, occupants, licensees, tenants, and invitees. The procedure is set forth in the Amended and Restated Declaration of Condominium.

- 4.18 To Appoint Committees. The Directors may appoint committees and delegate to such committees those powers and duties of the Association as the Board deems advisable. All committees and committee members shall serve at the pleasure of the Board. Committees of the Association, as defined in Section 718.103 (6), Florida Statutes (2004), as amended from time to time, shall conduct their affairs in the same manner as provided in these By-Laws for Board of Director meetings. All other committees may meet and conduct their affairs in private without prior notice or owner participation, unless otherwise directed by the Board of Directors.
- 4.19 To Ensure Fire Safety Compliance. The Directors may accept a Certificate of Compliance from a licensed electrical contractor or electrician as evidence of compliance of the condominium units with the applicable Fire and Life Safety Code.
- 4.20 To Approve the Installation of Hurricane Shutters. The Directors shall adopt hurricane shutter specifications for the Condominium which shall include, but is not limited to color and style of shutter. All specifications adopted by the Board shall comply with the applicable building code(s), or shall be structured to ensure that installed shutters are in compliance with the applicable building code(s). In the event a permit is required by the City, such permit must be provided to the Board in order to obtain Association approval. The Board shall not refuse to approve the installation or replacement of hurricane shutters conforming to the specifications adopted by the Board, provided that the Board may condition approval upon the unit owner's agreement to execute appropriate documentation regarding same.
- 4.21 To Exercise Emergency Powers. In the event of any "emergency" as defined below, the Board of Directors may exercise the emergency powers described in this Section, and any other emergency powers authorized by Sections 617.0207 and 617.0303, Florida Statutes (2004), as amended from time to time.
- 4.21.1 The Board may name as assistant officers persons who are not Directors, which assistant officers shall have the same authority as the executive officers to whom they are assistant during the period of the emergency, to accommodate the incapacity of any officer of the Association.
- 4.21.2 The Board may relocate the principal office or designate alternative principal offices or authorize the officers to do so.
- 4.21.3 During any emergency the Board may hold meetings with notice given only to those Directors with whom it is practicable to communicate, and the notice may be given in any practicable manner, including publication or radio. The Director or Directors in attendance at such a meeting shall

constitute a quorum.

- 4.21.4 Corporate action taken in good faith during an emergency under this Section to further the ordinary affairs of the Association shall bind the Association; and shall have the rebuttable presumption of being reasonable and necessary.
- 4.21.5 The Board may use reserve funds to meet Association needs.
- 4.21.6 Any officer, Director, or employee of the Association acting with a reasonable belief that his actions are lawful in accordance with these emergency Bylaws shall incur no liability for doing so, except in the case of willful misconduct.
- 4.21.7 These Bylaws governing emergency powers shall supersede any inconsistent or contrary provisions of the Bylaws during the period of the emergency.
- 4.21.8 For purposes of this Section only, an “emergency” exists only during a period of time that the condominium, or the immediate geographic area in which the condominium is located, is subjected to:
 - 4.21.8.1 a state of emergency declared by local civil or law enforcement authorities;
 - 4.21.8.2 a hurricane warning,
 - 4.21.8.3 a partial or complete evacuation order;
 - 4.21.8.4 federal or state “disaster area” status; or
 - 4.21.8.5 a catastrophic occurrence, whether natural or manmade, which seriously damages or threatens to seriously damage the physical existence of the condominium, such as an earthquake, tidal wave, fire, hurricane, tornado, war, civil unrest, or act of terrorism.
 - 4.21.8.6 an unanticipated set of circumstances, which, if not acted upon with immediacy, is likely to cause imminent and significant financial harm to the Association, the unit owners, the condominium property, or association property.

5. OFFICERS.

- 5.1 Executive Officers. The executive officers of the Association shall be the President, one or more Vice Presidents, a Secretary, a Treasurer, and such assistant officers as may be desired, all of whom shall be elected annually by and from the Board of Directors, and who may be peremptorily removed by a majority vote of the Directors at any meeting. One Director may hold more than one office except that the President may not simultaneously hold any other office in the Association. Assistant officers need not be Directors.
- 5.1.1 President - Powers and Duties. The President shall be the chief executive officer of the Association, shall preside at all meetings of the Board of Directors and Association meetings. The President shall have general supervision over the affairs of the Association and shall have all of the powers and duties which are usually vested in the office of President of a corporation.
- 5.1.2 Vice-President - Powers and Duties. The Vice President shall, in the absence or disability of the President, exercise the powers and perform the duties of the President. He shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Directors.
- 5.1.3 Secretary - Powers and Duties. The Secretary shall keep the minutes of all proceedings of the Directors and the members. He shall attend to the giving and serving of all notices to the members and Directors and other notices required by law. He shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed. He shall keep and have custody of the records of the Association, except those of the Treasurer. He shall perform all other duties incident to the office of Secretary of the Association and as may be required by the Directors or the President.
- 5.1.4 Treasurer - Powers and Duties. The Treasurer shall have custody of all property of the Association, including funds, securities, and evidences of indebtedness. He shall keep the assessment rolls and accounts of the members. He shall keep the books of the Association in accordance with good accounting practices and shall perform all other duties incident to the office of the Treasurer of a corporation.
- 5.2 Officers' Compensation. Officers shall not be entitled to compensation for service as such, but shall be entitled to reimbursement of expenses reasonably incurred. This provision shall not preclude the Board of Directors from employing an Officer or Governor as an agent or employee of the Association.

6. INDEMNIFICATION.

- 6.1 Indemnity. The Association shall indemnify any officer, Director, or committee member who was or is a party or is threatened to be made a party to any

threatened, pending, or contemplated action, suit or proceeding, whether civil, criminal, administrative, or investigative, by reason of the fact that he is or was a Director, officer, or committee member of the Association, against expenses (including attorney's fees and appellate attorney's fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, unless (i) a court of competent jurisdiction finally determines, after all appeals have been exhausted or not pursued by the proposed person to be indemnified, that he did not act in good faith or in a manner he reasonably believed to be in or not opposed to the best interest of the Association, and, with respect to any criminal action or proceeding, that he had reasonable cause to believe his conduct was unlawful, and (ii) such court also determines specifically that indemnification should be denied. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere (no contest) or its equivalent shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interest of the Association, and with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful. It is the intent of the membership of the Association, by the adoption of this provision, to provide the most comprehensive indemnification possible to their officers, Directors, and committee members as permitted by Florida law.

- 6.2 Defense. To the extent that a Director, officer, or committee member of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to above, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorney's fees and appellate attorney's fees) actually and reasonably incurred by him in connection therewith.
- 6.3 Advances. Expenses incurred in defending a civil or criminal action, suit, or proceeding shall be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the affected Director, officer, or committee member to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Association as authorized by this Paragraph 6.
- 6.4 Miscellaneous. The indemnification provided by this Article 6 shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any by-law, agreement, vote of members, or otherwise, and shall continue as to a person who has ceased to be a Director, officer, or committee member and shall inure to the benefit of the heirs and personal representatives of such person.
- 6.5 Insurance. The Association shall have the power to purchase and maintain insurance on behalf of any person who is or was a Director, officer, committee member, employee, or agent of the Association, or a Director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in any

such capacity, or arising out of his status as such, whether or not the Association would have the power to indemnify him against such liability under the provisions of this Article.

- 6.6 Amendment. Anything to the contrary herein notwithstanding, the provisions of this Paragraph 6 may not be amended without the approval in writing of all persons whose interest would be adversely affected by such amendment.
- 6.7 Delegation. To the extent permitted by law, the powers and duties of the Directors and officers may be delegated for the purpose of management.
7. **MINUTES AND INSPECTION OF RECORDS**. Minutes of all meetings of unit owners and of the Board of Directors shall be kept in a business-like manner. These, plus records of all receipts and expenditures and all other official records, as defined in Section 718.111(12) (2004), as amended from time to time, shall be available for inspection by unit owners and Board members at all reasonable times, provided, however, that the Directors may adopt reasonable rules regarding the frequency, time, location, notice, and manner of record inspections and any copying.
8. **FISCAL MANAGEMENT**. Shall be in accordance with the following provisions:
- 8.1 Budget. The budget shall be adopted by the Board. A proposed annual budget of common expenses shall be prepared by the Board of Directors which shall include all anticipated expenses for operation, maintenance, and administration of the Condominium. The proposed budget may also include expenses of security, in-house communications, Directors and Officers Insurance, transportation services, bulk cable or master antenna television, and interior pest control, all of which are declared to be common expenses under these By-Laws. The proposed budget shall include reserves per Section 718.112 (2)(f)2, Florida Statutes (2004), as amended from time to time, the funding of which may be waived or reduced by the owners. Reserve funds and any accrued interest on the funds shall remain in the reserve account for authorized reserve expenditures, unless their use for other purposes is approved in advance by a vote of the majority of the Voting Interests of the Condominium at a duly called meeting of the Association, or by the written approval of a majority of the Total Voting Interests of the Association. The budget will contain a reasonable allowance for contingencies and provide funds for all operating expenses previously incurred. If at any time a budget shall prove insufficient, it may be amended by the Board of Directors for the remaining portion of the fiscal year, provided that notice of the Board meeting at which the revised budget will be considered along with a copy of the proposed revisions to the budget shall be mailed to each member as provided in Paragraph 8.2 hereof. If the Board adopts in any fiscal year an annual budget which requires assessments against unit owners which exceeds 115 percent of assessments for the preceding fiscal year, the board shall conduct a special meeting of the unit owners to consider a substitute budget if the board receives, within 21 days after adoption of the annual budget, a written request for a special meeting from at least 10 percent of all voting interests. The special meeting shall be conducted within 60 days after adoption of the annual budget. At least 14 days prior to such

special meeting, the board shall hand deliver to each unit owner, or mail to each unit owner at the address last furnished to the association, a notice of the meeting. An officer or manager of the association, or other person providing notice of such meeting shall execute an affidavit evidencing compliance with this notice requirement, and such affidavit shall be filed among the official records of the association. Unit owners may consider and adopt a substitute budget at the special meeting. A substitute budget is adopted if approved by a majority of all voting interests. If there is not a quorum at the special meeting or a substitute budget is not adopted, the annual budget previously adopted by the board shall take effect as scheduled. In determining whether assessments exceed 115 percent of similar assessments in prior years, any authorized provisions for reasonable reserves for repair or replacement of the Condominium Property, anticipated expenses by the Association which are not anticipated to be incurred on a regular or annual basis, or assessments for betterments to the Condominium Property or Association Property must be excluded from the computation.

- 8.2 Mailing. A copy of the proposed annual budget shall be mailed or hand delivered to the Unit Owners not less than 14 days prior to the meeting of the Directors at which the budget will be adopted together with a notice of the meeting.
- 8.3 Assessments. The annual shares of the Unit Owners of the Common Expenses shall be made payable in installments due monthly or quarterly (as determined by the Board) in advance and shall become due on the first day of each such period and shall become delinquent 10 days thereafter. The Association shall have the right to accelerate assessments of an owner delinquent in the payment of common expenses. Accelerated assessments shall be due and payable on the date a claim of lien is filed and may include the amounts due for the remainder of the fiscal year for which the claim of lien was filed.
- 8.4 Special Assessments. Assessments for common expenses which are not provided for and funded in the budget or an amendment to the budget may be made by the Board of Directors, and the time of payment shall likewise be determined by them. Notice of the Board meeting at which such assessments shall be considered shall be posted and mailed to each unit owner as provided in this document, except in the event of an emergency. The funds collected pursuant to a special assessment shall be used only for the specific purpose or purposes set forth in such notice. However, upon completion of such specific purpose or purposes, any excess funds will be considered common surplus, and may, at the discretion of the Board, either be returned to the unit owners or applied as a credit towards future assessments.
- 8.5 Assessment Roll. The assessments for Common Expenses and Charges shall be set forth upon a roll of the units which shall be available for inspection at all reasonable times by unit owners. Such roll shall indicate for each unit the name and address of the owner, and the assessments and charges paid and unpaid. A certificate made by a duly authorized representative of the Association or by the Board of Directors as to the status of a unit's account may be relied upon for all purposes by any person for whom made.

- 8.6 Liability for Assessments and Charges. A Unit Owner shall be liable for all assessments and charges coming due while the owner of a unit, and such owner and owner's grantees or successors after a voluntary conveyance or other acquisition of title shall be jointly and severally liable for all unpaid assessments and charges due and payable up to the time of such voluntary conveyance. Liability may not be avoided by waiver of the use or enjoyment of any Common Elements or Association Property or by abandonment of the unit for which the assessments are due. Where a mortgagee holding a first mortgage of record obtains title to a unit by foreclosure, such mortgagee and its successors and assigns shall only be liable for such unit's past due assessments, charges, or share of the common expenses as are provided in the Florida Condominium Act (2004), as amended from time to time, but shall be liable for all such assessments, charges, or share of the common expenses due and owing from and after the date that title to the unit is acquired. All persons or entities acquiring title to a unit by foreclosure, other than a mortgagee holding a first mortgage of record, shall be liable for all past due assessments, charges, or share of the common expenses.
- 8.7 Liens for Assessments. The unpaid portion of an assessment, including an accelerated assessment which is due, together with all costs, interest, late fees, and reasonable attorney's fees for collection, including appeals, shall be secured by a continuing lien upon the unit.
- 8.8 Lien for Charges. Unpaid Charges due to the Association together with costs, interest, late fees, and reasonable attorney's fees shall be secured by a common law and contractual lien upon the unit and all appurtenances thereto when a notice claiming the lien has been recorded by the Association.
- 8.9 Collection - Interest; Administrative Late Fee; Application of Payments. Assessments or charges paid on or before ten days after the date due shall not bear interest, but all sums not paid on or before ten days after the due date shall bear interest at the highest rate permitted by law from the date due until paid. In addition to such interest, the Association may charge an administrative late fee in an amount not to exceed the greater of \$25 or 5% of each installment of the assessment for which payment is late, or the maximum late fee permissible by law. The Association may also accelerate all assessments or charges for the remainder of the fiscal year, in the manner provided by law. All payments upon account shall be first applied to interest, then the late fee, then to any costs and reasonable attorney's fees incurred, and then to the assessment payment first due.
- 8.10 Collection - Suit. The Association, at its option, may enforce collection of delinquent assessments or charges by suit at law, by foreclosure of the lien securing the assessments or charges, or by any other remedy available under the Laws of the State of Florida, and in any event the Association shall be entitled to recover the payments which are delinquent at the time of collection, judgment, or decree, together with those which have become due by acceleration or which have thereafter become due, plus late fees, interest, and all costs incident to the collection and the proceedings, including reasonable attorney's fees, incurred before trial, at trial, and on appeal. The Association may attach rental income for

delinquent units and may withhold approval for the sale, lease, or other transfer of a unit, or any interest therein, until all past due assessments, charges, interest, late fees, costs, and attorney's fees have been paid in full. The Association must deliver or mail by certified mail to the unit owner a written notice of its intention to foreclose the lien as provided by law.

- 8.11 Accounts. All sums collected from assessments or charges shall be credited to accounts from which shall be paid the expenses for which the respective assessments or charges are made.
- 8.12 Association Depository. The Depository of the Association in which the funds of the Association shall be deposited, shall be financial institutions authorized to do business in Florida which carry FDIC insurance or equivalent private insurance such as insurance placed through the Society Investor Protection Corporation (SIPC), as shall be designated by the Board of Directors. Alternatively, the Association may deposit funds with brokerage houses or institutions which are members of the National Association of Securities Dealers, Inc. and insured by SIPC or equivalent industry insurance. Principal of association funds, whether reserves or operating funds, may not be placed at risk for investment purposes. Withdrawal of money from those accounts shall be only by checks or other withdrawal instruments signed by those persons as are authorized by the Directors.
- 8.13 Co-mingling of Funds. All funds shall be maintained separately in the Association's name. No community association manager or business entity whether or not required to be licensed or registered under Section 468.432, Florida Statutes (2004), as amended from time to time, and no agent, employee, officer, or Director of the Association, shall commingle any Association funds with his funds or with the funds of any other condominium association or community association as defined in Section 468.431, Florida Statutes (2004), as amended from time to time, or with those of any other entity. Reserve funds and operating funds of the Association may be commingled for investment purposes, as provided by law.
- 8.14 Financial Reports. A complete financial report of actual receipts and expenditures of the Association shall be made annually which shall comply with Rule 61B-22, Florida Administrative Code (2004), as amended from time to time, and with Section 718.111(13), Florida Statutes (2004), as amended from time to time.
- 8.15 Fidelity Bonding. The Association shall obtain and maintain adequate fidelity bonding in the minimum principal sum set forth in Section 718.112(2)(j), Florida Statutes (2004), as amended from time to time, for each person (whether or not a Director) who controls or disburses Association funds, and the President, Secretary and Treasurer. The Association shall bear the cost of bonding. In the case of a licensed manager, the cost of bonding may be reimbursed by the Association as the parties may agree. All persons providing management services to the Association, or otherwise having the authority to control or disburse association funds, shall provide the Association with a certificate of insurance

evidencing compliance with this paragraph, naming the Association as an insured under said policy.

9. PARLIAMENTARY RULES. Roberts Rules of Order (latest edition) shall be used as a guide in the conduct of members' meetings, Board meetings, and committee meetings to ensure fairness, impartiality, and respect for minority views without unduly burdening majority rights. Meetings shall also be conducted in accordance with these By-Laws and the procedures established by the Board from time to time, including the form of voting documents to be used. The ruling of the Chair of the meetings, unless he or the Board of Directors designates a third person, as Parliamentarian, shall be binding unless contrary to law.
10. BY-LAW AMENDMENTS. Amendments to the By-Laws shall be adopted in the following manner.
 - 10.1 Proposal of Amendments. An amendment may be proposed by either a majority of the Directors or by twenty-five percent (25%) of the total voting interests of the Association.
 - 10.2 Adoption of Amendments. A proposed amendment may be approved and adopted upon the affirmative vote of a majority of the Board of Directors, and by not less than a majority of the Association's members, present, in person or by proxy, at a duly noticed meeting at which a quorum is attained. Amendments correcting errors, omissions or scrivener's errors may be executed by the officers of the Association upon Board approval, without need for Association membership vote.
 - 10.3 Effective Date. An amendment when adopted shall become effective only after being recorded in the Broward County Public Records according to law.
 - 10.4 Automatic Amendment. These By-Laws shall be deemed amended, if necessary, so as to make the same consistent with the provisions of the Declaration of Condominium or the Articles of Incorporation. Whenever Chapter 718, Florida Statutes (2004), Chapter 617, Florida Statutes (2004) or other applicable statutes or administrative regulations are amended to impose procedural requirements less stringent than those set forth in these By-Laws, the Board may operate the Association pursuant to the less stringent requirements. The Board of Directors, without a vote of the owners, may adopt by majority vote, amendments to these By-Laws as the Board deems necessary to comply with such operational changes as may be enacted by future amendments to Chapters 607, 617, and 718 of the Florida Statutes (2004), or such other statutes or administrative regulations as required for the operation of the Association.
 - 10.5 Proposed Amendment Format. Proposals to amend existing By-Laws shall contain the full text of the By-Laws to be amended. New words shall be underlined and words to be deleted shall be ~~lined through~~ with hyphens. If the proposed change is so extensive that this procedure would hinder rather than assist understanding a notation must be inserted immediately preceding the proposed amendment saying, "SUBSTANTIAL REWORDING OF BY-LAW."

SEE BY-LAW NUMBER _ FOR PRESENT TEXT.”

11. DISPUTE RESOLUTION.

- 11.1 Mandatory Arbitration. If unresolved, disputes between the Board and unit owners as defined in Section 718.1255(1), Florida Statutes (2004), as amended from time to time, must be arbitrated in mandatory non-binding arbitration proceedings as provided in the Condominium Act prior to commencing litigation, so long as the Condominium Act requires such arbitration.
- 11.2 Unit Owner Inquiries. When a unit owner files a written inquiry by certified mail with the Board, the Board shall respond in writing to the unit owner within 30 days of receipt of said inquiry. The Board's response shall either give a substantive response to the inquirer, or notify the inquirer that legal advice has been requested from the Association's counsel, or notify the inquirer that advice has been requested from the Division. If the Board requests advice from the Division, the Board shall, within ten days of its receipt of the advice, provide a copy of said written advice to the inquirer. If a legal opinion is requested from the Association's counsel, the Board shall, within 60 days after the receipt of the inquiry, provide in writing a substantive response to the inquirer. The failure to provide a substantive response to the inquirer as provided herein precludes the Association from recovering attorney's fees and costs in any subsequent litigation, administrative proceeding, or arbitration arising out of the inquiry. Absent a different rule adopted by the Board of Directors, the Board shall only be obligated to respond to one inquiry per month pertinent to any particular unit. In the event of a grievance of a unit owner against the Association, the Board of Directors, or a member thereof, written notice in detail of the grievance shall be given the Directors prior to the institution of litigation, (including but not limited to arbitration) and they shall be allowed a period of 30 days in which to resolve the grievance.
- 11.3 Other Remedies. Nothing herein shall preclude the Association from pursuing any remedy for the violation of the Condominium Documents or disputes with a unit owner or other party as may be available to the Association under the laws of the State of Florida or the Condominium Documents.

12. MISCELLANEOUS. The following miscellaneous provisions shall apply to these By-Laws and the Condominium Documents.

- 12.1 Conflicts. The term "Condominium Documents," as used in these By-Laws and elsewhere shall include the Declaration of Condominium, Articles of Incorporation, these By-Laws, the Rules and Regulations of the Association, the Surveyor's Plat, and graphic descriptions of improvements of record, and all other exhibits to the original Declaration of Condominium. In the event of a conflict between the language in the Declaration of Condominium and the graphic descriptions of record, the graphic description of record shall control. In the event of a conflict between language in any of the other Condominium Documents, the following priorities shall control:

- 12.1.1 Declaration of Condominium;
 - 12.1.2 Articles of Incorporation;
 - 12.1.3 By-Laws; and
 - 12.1.4 Rules and Regulations.
- 12.2 Gender. The use of the term “he,” “she,” “his,” “hers,” “their,” “theirs” and all other similar pronouns should be construed to include all genders and encompass the plural as well as the singular.
- 12.3 Severability. In the event that any provisions of these By-Laws is deemed invalid, the remaining provisions shall be deemed in full force and effect.

of

ARTICLE XXVI -- Association to Acquire and Enter Into
Agreements, is hereby amended as follows:

The Association has entered into a Recreation Sub-Lease
Agreement attached hereto and made a part hereof, which is a
document contemplated by Section 711.121 (Amended Section 718.
114, F.S. (1976)) of the Act on behalf of and for the benefit of
this Condominium. Under the Recreation Sub-Lease Agreement, the
Association has acquired possessory and use interests in certain
real property and improvements described therein, which are
intended for the enjoyment, recreation or other use and benefit
of Apartment Owners in this and other Phase One Club Condominiums
and owners of portions of real property located within Parcel 8
of Oriole Golf & Tennis Club Section I according to the plat
thereof recorded in Plat Book 75, page 34 of the Public Records
of Broward County, Florida. The expenses of operating the
Recreation Land, including the taxes, insurance, repair and
maintenance of the facilities located thereon, are Common
Expenses.

The Association is desirous of buying out said Recreation
Sub-Lease and obtaining a more equitable possessory and use interest
of the recreational facilities for its unit owners. To accomplish
this desire the Association is authorized to ~~pay~~ ^{pay} ~~xxxxxx~~

issue to each unit owner of the Association a Certificate of Membership which shall give the holder the same possessory and use interest in the recreational facility as was enjoyed under the Recreation Sub-Lease but without further lease payments. Unit owners shall hold said possessory and use interest for as long as they hold title to their unit and said interest shall automatically transfer to any subsequent purchaser of the unit. Unit owners shall have no further obligation to pay base and escalated rental payments but shall still be obligated to pay common expenses for the maintenance and operation of the recreational facility.

To raise the purchase price of \$78,076.00 and closing costs of approximately \$166 the Association is authorized to assess each unit its approximate share based on percentage ownership of common elements as follows:

Type A	--	\$1,816.00
Type B	--	\$1,964.00
Type C	--	\$2,314.00

This assessment shall be a special assessment due and payable on January 15th, 1978. Should any unit owner find that they cannot raise this assessment in cash then the Association may assist said unit owner in finding institutional financing for the amount of the assessment. However, failure to obtain financing shall not excuse the unit owner from paying its share.

I HEREBY CERTIFY that this Amendment was approved by the affirmative vote of the owners of 75% or more Apartments at a special meeting of unit owners held on December 7th, 1977.
